EDUCATION

SRM University, KTR, Chennai B.Tech Computer Science Engineering CGPA: 8.22	2024 – 2028
--	-------------

SKILLS

Programming Languages: C, C++, Python, Java (Basic)
Technical Skills: MySQL, AutoCAD, Ubuntu, VS Code
AI Tools: Antigravity, Gemini API, Lovable AI, AI Studio
Soft Skills: Communication, Teamwork, Leadership, Problem Solving

PROJECTS

WeatherX PRO
Developed a machine learning web app that predicts the next 3 days of weather using Python, Flask, and scikit-learn. Includes sliders, unit selection, animated icons, and AI-generated forecasts.

Book Finder
Built a book finder application using external APIs to search books by title, author, or keyword. Displays book covers, ratings, and descriptions with filtering and sorting features.

Word Counter
Created a text utility project that counts words from user input using string processing logic. Can be extended for character and sentence counting.

EXPERIENCE / RESPONSIBILITY

Committee Member – DSA Club, SRM University
Assisted in organizing club activities, coordinating events, and engaging students through technical and creative initiatives.

CERTIFICATIONS

- HackerRank Python Certificate
- C Programming Certificate
- Python Programming Certificate
